SAFE SPORT

The Safe Sport program is USA Swimming's comprehensive abuse prevention program dedicated to reducing the risk of sexual, emotional and physical abuse to athletes. Components of the program include, but are not limited to, providing education and training, enforcing policies, rules and best practice guidelines, promoting healthy boundaries and mandated reporting of violations.

A quality control system has been implemented to ensure that individuals who are ineligible for participation are unable to participate in this competition. Additionally, all adult members of USA Swimming who have not completed their Athlete Protection Training will not be able to participate in this competition.

The Minor Athlete Abuse Prevention Policy (www.usaswimming.org/maapp) prohibits Adult Participants (as defined) from having one-on-one interaction with minor athletes that is not within an observable and interruptible distance from another adult. Adult Participants are required to abide by this policy in full during this meet.

Pursuant to USA Swimming Rules and Regulations and federal law, it is every member's responsibility to immediately (i.e., within 24 hours) report any incident of child abuse, including physical or sexual abuse, to law enforcement and the U.S. Center for SafeSport. Reporting must occur when an individual has firsthand knowledge of misconduct or where specific and credible information has been received from a victim or knowledgeable third party. A report to the U.S. Center for SafeSport may be made via telephone at 833-5US-SAFE (833-587-7233) or online at www.uscenterforsafesport.org/report-a-concern. Various state laws may also require reporting to law enforcement or to a designated child protection agency.

For information on how to report other alleged violations, including without limitation, the USA Swimming Code of Conduct and the Minor Athlete Abuse Prevention Policy, please visit www.usaswimming.org/report.

All athletes age 18 and older must complete Athlete Protection Training ("APT") to be a USA Swimming registered member in good standing. Any athlete who turns 18 on or before **March 21, 2024**, who has not completed APT by the first day of competition, will be prohibited from participating in the competition until such time as all membership requirements are completed.

Times achieved by an athlete who turns age 18 on or before **March 21, 2024**, who competes in this USA Swimming sanctioned event without completing this membership requirement, will NOT count for qualification or recognition. This includes participation as a member of a relay.
