

Blazers Families

Welcome to the Blazers we hope that you are enjoying your first few weeks.

There is one last step in the registration process that we need you to complete for your athletes, USA swimming registration.

This enables your athlete to participate in swim meets and also ensures insurance protection for the club at meets and practice. This year is the first time that families have had to complete this step on their own, previously clubs have been able to complete on their behalf.

Please read through the attached pdf and follow the steps laid out in there.

1. Create a USA swimming account for yourself (new member)
2. While logged in follow [this link to register your new athlete for the Blazers](#).
3. Select **premium athlete** for your registration type
4. Pay for your athletes registration, they will then be linked to your account dashboard.
5. Watch your athlete compete for the Blazers at swim meets and enjoy the lifelong friends and skills they will develop.

If you have any questions please reach out to us for assistance.
