Ready Bench

LBD uses the joint ready bench system for 6&U, 7/8, and 9/10 age groups. The ready bench is located in the southwest corner of the pool deck. Each team should provide 5 volunteers for each event for these age groups. Please, no thru traffic in the ready bench area (swimmer drop-off only).

Del Oro High School Pool Facility:

The pool is 14 lanes. The Loomis Basin Dolphins will be utilizing 10 lanes for the dual swim meets. During the swim meet, warm up and warm down lanes will be available for swimmers ages 11 and up. Diving and practice starts are not allowed in warm up lanes.

Visiting Team Area

Visiting teams set up is on the Quad area north of the pool and immediately west of the gymnasium. Please take extra caution walking from the visiting team area to the pool as you will be walking through the parking lot. Unlike during Championships, we DO NOT have access to the soccer field during the dual meet season, please help us maintain a positive relationship with the school district by not setting up on the soccer field. In addition, the tennis courts were recently resurfaced and may not be used as a team area. Please note that the Quad area is mostly concrete, so blankets and chairs are highly recommended.

There are gates at the north end and northwest corner of the complex where swimmers and spectators can access the pool deck, ready bench, and starting blocks – *No visitor tent set-up on the pool deck, tennis courts or soccer field (See Pool Area Map).*

Restrooms

Bathrooms are located at the North Entrance to the pool area.

Stroke & Turn

Stroke & Turn/Official meeting is around 7:30 – please listen for announcements. The meeting will be behind the Computer Ops/Coaches Area on the Pool Deck. We run six judges for all strokes except freestyle, where we run 4; visitors must provide 3 officials for all non-freestyle events and 2 for freestyle events.

Timers

Two shifts of 32 timers (each team provides 16 timers per shift – 10 Lanes).

Food & Beverages

We will have food trucks at the swim meet in addition to a limited snack bar.

Hospitality

Volunteers are encouraged to bring their own drink containers.
