

Canterberry Crocs Photo Release

The Canterbury Crocs Swim Team, through its board members or other representatives (the "Swim Team") plans to take photographs, audio, and video during our in-person practices, meets and events ("Event"), and reserves the right to use any photograph/video taken at any Event without the expressed written permission of those included within the photograph/video. The Swim Team may use the photograph/video in the Swim Team website, social media (facebook and instagram), educational, news, or promotional materials, whether in print, electronic, or other forms of media.

With the exception of coaches or board members, to ensure the privacy of individuals, images will not be identified using full names or personal identifying information without written approval from the photographed subject.

A person attending an Event (or one we are participating in) who does not wish to have their image recorded for distribution should make their wishes known to the photographer, and/or the event organizers, and/or contact the Swim Team at canterberryswimteam@gmail.com and include an identifying photograph for reference. Swim Team will use the photo for identification purposes (only) and will hold the request in confidence.

By participating in an Event event or by failing to notify the Swim Team, in writing, your desire to not have your photograph used by the Swim Team, you are agreeing to release, defend, hold harmless and indemnify the Swim Team from any and all claims involving the use of your picture or likeness.
