

# 2024 Canterbury Cross Swim Team Volunteer Agreement

By signing below, you acknowledge that you understand the swim team volunteer policies and requirements. Canterbury Swim Team, as well as the other teams in the Mountain-Hi Swim League, are all volunteer not-for-profit organizations. Therefore, the team relies solely on volunteers to help run the meets.

- **During the regular swim season including dual meets ("Regular Season") you are required to fulfill a minimum of 4 volunteer shifts.**
- **If your swimmer participates in prelims, championships or all stars meets ("Post Season"), you are required to fulfill additional volunteer shifts**

Although the team only requires a minimum of 4 sessions, if you're available beyond that requirement, you are encouraged to participate further to help to make this a positive and successful experience for your swimmer(s).

By signing my name below, I confirm that I understand the team policies for the Canterbury Swim Team volunteer requirements and will abide by them. I understand that I am required to volunteer my time as outlined above during both the Regular Season and the Post Season.

**I understand that failure to meet the minimum volunteer requirements as outlined herein will result in the full forfeiture of the \$200.00 volunteer check at the end of the Post Season.**
