

Championship Recap Notes

Date: 3/26/25

Attendees: Holly Russell, Cynda Avery, Dean Schroeder, Terri Clark, Adam Forbes

Recap of Championship Meets:

- District Meets felt like there was a lack of participation from both Athletes and Parents. Overall, the feeling is that it wasn't a Championship meet.
- There is a need to ensure that all AO's are capable of running a championship meet.
- Has several instances where coaches said they sent in entries, but the AO had no evidence of the emails. Suggestion is that we enter entries through OEM for all championship meets. Then they are sent to the appropriate AO?
- Holly to write up clear expectations for the number of officials needed to run a championship meets. (Regionals, 10& under, Mags and Ultras) Holly will send a writeup prior to the next meeting for all to review and edit.
- Need documentation for what the protocol is for the following positions: MR, AR, AO, CJ and DR. Want to ensure consistency with MAGS and Ultra
- Requesting a sign up for the Long Course championship meets to be posted the week that the LC season starts.
