

## SWIMMER - 2023-2024 REGISTRATION

Dear Swimmer/Parent/Guardian,

Welcome to the 2023-2024 swimming season! Please take a moment to review this brief explanation of the swimmer registration process required of all swim clubs.

Each swim club in the province of Alberta is a member of the national governing body for swimming called Swimming Canada and the provincial governing body or Provincial Section (PS) called Swim Alberta. In return for government sport funding, all governing organizations are required to report on membership. Non-identifying statistics are obtained directly from the data collected in the Registration Tracking and Results system (RTR). With your assistance to provide accuracy, we can comply with our requirements and continue to benefit from strong government support, virtually all of which is directed towards the support of swimmers, coaches and clubs. All swim clubs are required to process all registrations to Swim Alberta and Swimming Canada via the RTR.

The final steps of registering with your swim club includes the following mandatory steps:

1. Confirmation of primary contact and information and preferred language related to your family and swimmer(s) in the RTR
2. Indication of your preference to receive emails of a commercial nature
3. Confirmation of Canadian citizenship status – identifies eligibility of swimmer to set records or national team selection.
4. Signing the Acknowledgement and Assumption of Risks Form
5. Agreement to abide by Swimming Canada's policies

**NOTE: It is only upon completing the above steps in the RTR that you/your swimmer are considered officially registered and a member Airdrie Phoenix Swim Club and then covered by insurance. This registration process must be completed before entries into a swim meet can be submitted and accepted.**

Your information is held by the Club, Swim Alberta, and Swimming Canada in compliance with the [Swimming Canada Privacy Policy](#).

In addition to the mandatory questions, there are five optional declarations that may be completed in the RTR. Providing this information is voluntary and will be used for statistical and informational purposes as well as for program development. It will not be used by your Provincial Section or Swimming Canada for any prohibited purpose as per The Canadian Human Rights Act and Provincial Human Rights legislation.

1. **Gender Identification** – allows swimmers to self-declare their gender identification (Cisgender, Non-Binary, Transgender). This optional self-declaration will have no effect on the gender of registration but will provide valuable information in order to continue to develop and grow programming.
2. **Indigenous Descent** – identifies eligibility for the North American Indigenous Games and/or regional/provincial funding opportunities (if available). In some Provincial jurisdictions, these statistics are also required as part of government funding reporting requirements.
3. **BIPOC Declaration** – this optional self-declaration will provide information for government reporting and to develop and grow programming.
4. **Impairment Declaration** – helps Swimming Canada, Swim Alberta, and your swim club to direct opportunities that are specifically targeted to swimmers with a disability (Para Swimmers)  
Refer to: <https://www.swimming.ca/en/resources/>

5. **Hard of Hearing** – assists in identifying individuals who may be eligible for participation in events specifically targeted to swimmers who are deaf/hard of hearing.

Thank you and have a great swimming season!
