Sharks Swim Club has a tradition of providing quality coaching and competitive swimming opportunities for youths in the Capital District for over 40 years. We have swimmers of all skill levels – from those just learning to swim competitively to those competing not only at local but also state and national levels. Annually, our team has approximately 200 dedicated swimmers from across the entire Capital District. This season, we offer practice groups at Ballston Spa High School, Union College, Mohonasen High School, Skidmore College, RPI and Troy High School.

We will host 5–6 multi-team meets a year. All but 1 are multi-day meets. Sharks will be providing live-feed of the meets and will offer recognition during the live-feed.

Our club is a not-for-profit organization affiliated with USA Swimming and a member of the Adirondack Swimming district. To keep costs reasonable for our families, we host several swim meets throughout our season. Hundreds of spectators will attend these meets and purchase heat sheets that include information about the races and also sponsor recognition for our valued partners. Our website is viewed daily by our coaches, swimmers and their families. We would like to count you and your company among one of our valued partners!
