

Dear **Chugiak Aquatics Club** Member,

It's that time of year again to register your stroke school or higher level swimmer in USA Swimming for 2025. **The registration deadline is November 30th, 2024.** Swimmers who are not registered cannot participate in swim meets or practice until they are up-to-date.

Registering with **USA Swimming is required** for participation in training, competition and activities. It provides for our liability insurance and supports the organizations that keeps this sport ticking.

If you swimmer is in lessons levels 1-4 you **need not complete** this registration unless you plan to participate in a swim meet in the coming year.

If you have not previously created a USA Swimming account, you will need to follow the "Login" link below and select "Create a Login". Parents will create an account then add and register their swimmers within that account.

If you registered last year and have an account, you can select "renew membership" in the "My Family" section of your profile.

If you believe you have registered and received a receipt from USA Swimming please reach out to me so we can problem solve.

If you run into difficulties, please don't hesitate to reach out.

Thank you for taking time to complete this important process.

Patrick Garrity
