Other Fees and Volunteer Requirements:

AMS/USA Swimming Registration Fee - USAS fees are an additional \$90 per swimmer. If you were previously registered with PEAQ or another club during the 2023/2024 short course competitive swim season, you will NOT need to register with USA Swimming again. If you were not, please wait for our registrar to contact you with directions and a PEAQ specific link to complete your USA Swimming registration.

Fundraising Fee - There will be no fundraising fee this long course season.

Volunteer Requirement - Each family will be required to work two sessions at PEAQ-hosted meets. PEAQ will host at least two meets this long course season. There will be one in May and another in July. Please note, you are expected to fulfill your volunteer session requirements, even if you DO NOT have a child swimming in one of these two meets.

*****UNMET VOLUNTEER REQUIREMENTS WILL BE BILLED AT \$200/SESSION. Your non-volunteer assessment total (\$400) will be added to every new registrant's account, as a DELAYED charge, set to process on AUGUST 1. Once each volunteer session is completed, that portion of your charge will be removed from your account prior to August 1, thus never being processed.*****

Caps/T-shirts - T-shirts are not included with the spring/summer registration. We have a "club store" through which t-shirts and other apparel can be purchased. Please see the website for more information. Personalized cap orders are not placed for long course registration. However, if you would like a PEAQ cap, please see your coach. We have extras available for purchase for \$15 each.
