****Deferred Fee is 50% of the paid in full amount. It will be charged once at registration, and then again on the 1st of December. There is a \$25 convenience fee for this option. Please choose "Deferred Payment Option" during registration process.***

Other Fees, Volunteer Requirements and Multi-Swimmer Discount:

Allegheny Mountain/USA Swimming Registration Fee - This is a mandatory membership in addition to your PEAQ membership, and costs \$92. That charge is automatically added to your PEAQ registration costs when you check out, and the process of becoming USAS registered will be taken care of for you by our registrar.

Multi-Swimmer Discount - \$350 per swimmer (excluding first swimmer) for member families with two or more swimmers (excludes swimmers in the Alumni group). This discount includes the traditional \$250 per swimmer, plus an extra \$100 per swimmer, to account for the regional surcharge that has been added to the registration fees. This adjusts to make it a "per family" charge rather than a "per swimmer" charge.

Fundraising - Every family is required to participate in our fall fundraiser, which is a "Meat Raffle", with meat provided by Cheplics Butcher Shop. Tickets cost \$5 each. All families are expected to sell at least 10 tickets, and the \$50 is already added to your registration fees at check out. Once you sell 10 tickets, you will have "paid yourself back" for that charge.

Additionally, PEAQ will continue to provide a way for families to pay down their registration by offering the Scrips gift card program. If you choose to participate, you can raise as much money as you want to put toward your registration costs. Your account will be credited for any funds raised through the program. One of our board members will provide more information on the program to members in the coming weeks.

Volunteer Requirement - PEAQ plans to host several swim meets this year between September and July... Every family will be required to volunteer for at least 2 sessions during the short course season (Sept. - March) AND 2 sessions during the long course season (April - July), if you are registered for the FULL YEAR. This is a total requirement of FOUR sessions between Sept. and July. A session is typically 4-5 hours of volunteer time. Due to increasing needs for volunteers at some of our bigger "travel" meets (a meet outside of our LSC), a session of volunteering at such travel meets WILL count toward your two session requirement for each season. **Please Note:** Summer League meets (Wahoos, Kraken, and Sharks) DO NOT count toward your volunteering requirement.

*****UNMET VOLUNTEER REQUIREMENTS WILL BE BILLED AT \$200/SESSION. The Short Course portion of your non-volunteer assessment total (\$400) will be added to every new registrant's account, as a DELAYED charge, set to process on APRIL 1. Once each volunteer session is completed, that portion of your charge will be removed from your account prior to April 1, thus never being processed. After the long course season starts, we will follow the same process for April through July, by adding another \$400 delayed charge for August billing.*****

There is NO volunteer requirement for families that have ONLY a Developmental swimmer, or for alumni swimmers.

Caps/T-shirts - One, non-personalized PEAQ logo cap will be included with your registration this season. Personalized caps (with swimmer last name on them) will be available for purchase at checkout, and are \$35 for a set of two Speedo personalized PEAQ logo caps, if you register prior to September 16th.
