

What You Need to Know about Fundraising for MSST

MSST requires all families to contribute in raising team funds. For the current fiscal year (beginning 1 November, and running through 31 October the following year), the fundraising obligation is set at **\$300 for a single swimmer** family and **\$450 for a multi-swimmer** family.

To meet your fundraising obligation, MSST offers three team-sponsored options: (1) Spring Swim-A-Thon, (2) business sponsorships, and (3) coffee sales. Most families satisfy their fundraising obligation solely through the Spring Swim-A-Thon. Business sponsorship packages, as well as additional information regarding fundraising options, can be found on MSST's website (select "Fundraising" under the "FAQ's" tab).

Fundraising is critical to the services offered by the team. These funds not only provide a means to help cover the coaches' salaries, but it also plays a key role in supporting MSST families experiencing financial hardship, multi-swimmer discounts, and championship meet funds.

If you have any questions or concerns, please contact the fundraising treasurer, MSST_Treasurer@alaska.net.
