Jelly Bean Jars

We had some great fun decorating jars - we can't wait to see them filled with beans!!

HUGE thank-you to the parents who helped out and/or donated crafting items! If you want anything back - let me know - otherwise we'll save it for next time!

If you missed it, feel free to decorate a jar at home and bring it in - you can give to Devonna to be stored with the others! (Make sure your name is on it!)

Running Shoes

Intermediate, Inter-Senior, and Senior swimmers - please make a habit of having active wear and running shoes along for every practice! As we've seen the weather can turn suddenly and these are necessary items for dryland training. They may be useful for daily activation as well!

DDSC 50/50 RAFFLE

It's time for our biggest fundraiser of the season! **With a little teamwork - the results can be outstanding!** The draw is at our swim meet: we know from experience that we can sell lots of tickets at our meet IF we can get the jackpot high before the meet starts! This is where you come in! **You have a whole month to sell tickets and build the jackpot!**

The club benefits hugely from this fundraiser, a large jackpot is a wonderful way to start the summer for our winner, and folks get to support our swimmers. Win-Win-Win!!

Each family has a unique Rafflebox link (in your email) - which will allow friends/family to sponsor your swimmer(s) directly. This will also ensure you get credit for your raffle participation.

We will be watching the jackpot grow throughout the month of June - with **surprise bonus jelly beans for reaching certain milestones or sales amounts!** There are also prizes for top sellers.

Please please - **help us promote and sell lots of tickets early!** Share widely! Let's flood Facebook with DDSC 50/50 links and grow that jackpot!!
