DDSC Home Swim Meet (July 4&5) - prep and sign up

At the Parent Meeting on June 10th we went through an overview of what a swim meet looks like, and how to prepare, as well as a description of the volunteer roles and volunteer expectations. Reminder that all things swim meet prep are available in the [Parent Handbook](#).

The [DDSC sign-up sheet](#) is here for DDSC families first, and will be released to the rest of the Region shortly, so reserve the spot you want asap! You can sign up for AM and/or PM shifts, as well as deck evaluations. With all hands on deck, we run a successful 2-day meet - let's show what our small little club is capable of!

If you have not yet completed your Intro to Swimmer course (one adult per family) - please do so! If you have questions about this or any other training: coa.ddsc@gmail.com.

Congrats Cody!

Brand new Dolphin Cody Mercer qualified to compete this past weekend at Summer Festival in Lethbridge as a member of the ASSA Jr. All- Star Team at Summer Festival, where he claimed further PBs! Well done Cody - and welcome to DDSC!

Stony Plain Meet Volunteers Needed

We have 24 swimmers registered, so we need a minimum of 6 volunteer shifts from DDSC. [Here is the sign up sheet to volunteer!](#) We are a few short!

For every 3 away meets each swimmer participates in, we expect a minimum of 1 volunteer shift. Note that this is the 3rd meet of the season, so if you've come to all meets and not taken a shift, we'll be contacting you!

Air Quality Index

Practice will revert to Dryland Training in the arena if the Air Quality Index (AQI) is 7+. You can follow the Devon pool's Purple Air AQI sensor on [this map](#).
