DDSC RAFFLE

🎯 Last week's goal: \$4,000 by midnight Saturday. While we don't have the exact total from midnight, by noon Sunday we'd hit \$5,450—and climbing!

💰 Reminder: Each family committed a volunteer obligation cheque to sell a minimum of \$150 in raffle tickets.

🎉 5 Bonus Bean Alert! Congrats to Norah Courtney who was randomly drawn from swimmers over minimum sales!

📅 Two weeks to go! Let's keep the momentum rolling—\$6,500 by next weekend feels totally doable. Can we stretch to \$6,750... or even \$7,000?!

Head's up: Swimathon fundraising is only a few days after our meet this (condensed) year. To spread out your asks, we encourage selling your raffle commitments early!

Important Updates

June 23 - NEW MONDAY Junior practice

June 25 - Tie Dye - remember to bring a t-shirt folded and ready to dye! (Note - please bring a t-shirt and not a hoodie or other item in order to ensure there is enough dye to go around!)

June 27 - Junior practice **cancelled**

June 28 - NESC Swim Meet

June 28 - deadline to declare for Devon Meet (Reminder: declare for meets via the [Events tab on the home page](#))

July 1 - no practice: (Happy Canada Day!)

Did you receive your **swim cap**? If not - please see Coach Lauren!

Note: additional swim caps can be purchased for \$15 (2 for \$25).

Stony Plain Results!

DDSC Swimmers made quite a splash at Stony Plain! We had two-thirds of our swimmers competing at a chilly outdoor meet - such troopers! Our Friday night distance swimmers even swam all their races in the rain!

Personal Bests achieved in 61/89 individual races (lots of jelly beans!). Earning PBs gets harder as the season goes on, plus the conditions were not ideal, so this is outstanding!

Podium Finishes were earned in 40 individual races and 2 relays (more jelly beans!).

High Point Awards will be distributed next weekend, however we anticipate at least SIX high-point winners from DDSC (yup ... Beans!)

From Your COA:

Hello Dolphin Families: a reminder that as per the Parent Handbook, **every parent must sign up for at least one swim meet volunteer shift for every 3 away swim meets that you have a swimmer attending.** (This is separate from home meet expectations.)

In addition, **one adult from each family is required to take the online Introduction to Swimming course.** This is needed to be on deck at a swim meet, and allows you to serve in the Timer role - the best seat in the house at swim competition!

I will be at the pool Wednesday June 25 again with my computer if you want to come by and get any assistance registering for the online courses.

Big thank-you to everyone for signing up for roles with our home meet! The sign-up has now gone out to the rest of Region B to fill in the remaining slots! Looking forward to an amazing meet!

Your friendly neighborhood Club Officials Administrator (COA) - Elly: coa.ddsc@gmail.com

NESC Meet Volunteers

17 swimmers are signed up to head to NESC - that means DDSC needs four volunteer shifts. If it's your turn - [sign up here!](#)
