

GMSC MEET ENTRY PROCEDURE

1. GMSC coaches will review all meets available for training groups and post the season meet schedules to Team Unify.
2. Coaches ask parents to “commit” to all meets their swimmer(s) plan to attend during the upcoming season via Team Unify. Any swimmers without a commitment listed will automatically be entered in the meet, charged the meet fees, and expected to attend.
3. Coaches will enter swimmers into events 2-4 weeks ahead of each meet. Swimmers may request events with their coach during practice or via parent email. All events entered are at the coach’s discretion and while request will be considered, the entries are decided solely by GMSC coaches.
4. Final meet entries will be sent 2 weeks ahead of the meet. Coaches will send an upcoming meet reminder email to groups on the Monday prior to entries being sent. This is the last chance for any changes/additions.
5. Once entries have been sent, no additions, changes or deletions to entries can be made. Entry fees will be billed to your account.
6. If you have a conflict with the meet, or a day of the meet, you must put the reason in the notes section in your swimmer’s entry on Team Unify.
