

MEET EVENT SELECTION PROCEESS

1. Parents will be notified (through email) that commitment to a meet is available on the Phoenix Swim Club website – www.phoenixswimclub.org
2. Parents will commit/decline their child's participation in a meet.
3. Parents are encouraged to leave a note in the notes section if their child wants to swim a particular event(s). The coaches will take these notes into consideration when doing the entries.
4. Once online registration for the meet is closed, coaches will enter their group swimmers in the events they believe are best for the development of the swimmer and for the time of the season.
5. Once entries are completed, the entry list will be emailed to the parents for checking with a cut-off date for corrections/edits/suggestions stated.
6. Corrections/edits/suggestions should be communicated to the group coaches before the cut-off date.
7. Corrections/edits/suggestions are then completed by the coaches.
8. Entries are sent to the meet director.

Please note that once entries have been sent to the meet director, no additions, changes, or deletions can be made
