We expect our members to conduct themselves appropriately when using social media platforms to share information or posting personal material.

Social Media Communications

- Must not offend, intimidate, humiliate, or bully another person.
- Must not be misleading, false or injure the reputation of another person.
- Abusive, discriminatory, intimidating, or offensive statements will not be tolerated.
- Should respect and maintain the privacy of members.
- Must not bring the club into disrepute.

Members may face disciplinary action for sending inappropriate electronic communication or posting online content or comments that harass, offend, intimidate, or humiliate another member, as outlined in our athlete code of conduct.
