

NLSC Matsu Athlete Rep Role and Responsibilities

The Athlete Rep is a voluntary position that works closely with the coach and the boosters for the full season. This position requires the Athlete Rep to act as the representative communicating between swimmers, Parent Rep, and the Boosters. This position is vital to a successful season and the Boosters recognize the effort that is required. The Boosters offer full credit of volunteer hours, for the season, for this service.

The following list contains the basic functions and tasks of the Athlete Rep.

1. Attend regular monthly board meetings (August through May) during the season. Athlete Rep attendance is important. Several absences will lead to forfeiting of athlete reps volunteer hours. If an athlete rep is not available to attend they will submit a report to the President in their place. Failing to meet these requirements will result in forfeit of the athlete reps volunteer hours.
2. Forward communications from the Board to all Team coaches and members.
3. Work with the Parent Rep to organize at least 2 swim events or the swim level with athlete representatives, such as dinner, bowling, etc.
5. Bring any needs or concerns from swimmers to the boosters.
6. Assist with organizing and executing the End-of-Season Banquet with Boosters.
7. **Silver Level** - 1 Swimmer Representative, male or female. Communicate with swimmers, coach, parent rep, and boosters.
Gold Level - 1 Female and 1 Male Representative. Communicate with swimmers, coach, parent rep, and boosters.
