Dear Business Owner,

The Oro Valley Swim Team (OVST) is a 501(c)(3) non-profit and one of Tucson's oldest and largest family-run swim teams. For over 20 years, we've built a strong reputation as a competitive, inclusive, and community-driven organization. Beyond fostering a love for swimming, we provide a welcoming environment where young athletes—ages 4 and up—develop confidence, teamwork, and resilience, both in and out of the pool. In 2024, our swimmers set 5 different Southern Arizona Aquatic Association records. We also competed in 5 different states last year, including bringing 19 swimmers to a meet at Princeton University. This coming Fall, five of our former swimmers will be competing for NCAA teams.

Despite our success, we remain committed to keeping our program affordable for families across our community. However, with rising operational costs, we rely on sponsorships to continue providing **high-quality training, exciting competitions, and accessible opportunities for all swimmers.**

That's where you come in! With each swim meet drawing **450+ families**, sponsoring OVST is a great way to gain exposure while making a meaningful impact on young athletes. We offer a variety of sponsorship levels to fit your business goals:
