3. Coaches make all decisions in regards to entries, however, if a swimmer really wants to swim an event you can enter that event in the comments section for coach consideration.

1. Use pull down for sign up options. To commit, simply click 'yes'.

2. Once you click yes above, the screen will give you options of days and sessions in accordance with swimmers age. if you are planning on attending all session, you don't need to choose days/sessions; the coaches will know that you are planning on being there for the entire meet. if you know that you will miss a day/session, please choose those you will be available. that tells the coach not to enter a swimmer into events on the unavailable day.

4. Click 'Save Changes' when complete. After that keep watching for emails from teh swim team office regarding entries, etc. being posted online. These can be found by clicking on the swim meet on the home page.
