

Every Gator family is required to fulfill a fixed number of service hours.

For families that have swimmers in developmental group only, required service hours is 30.

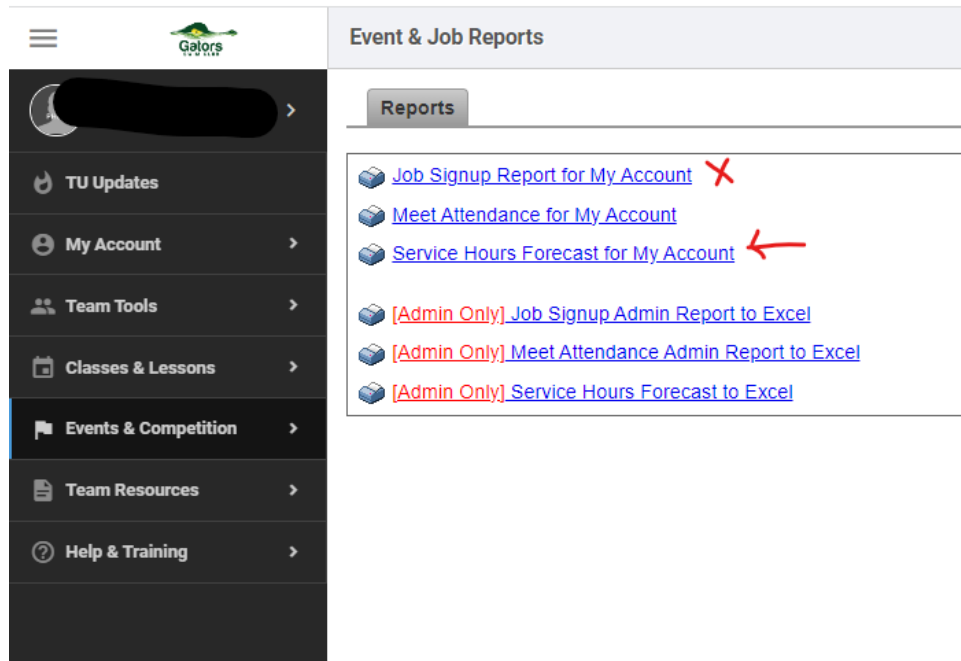

For families that have swimmers in any other groups, required service hours is 50.

Here's are the step to help you figure out how many hours is pending to fulfil the required hours:

- 1) Login to [teamunify](#)
- 2) Under "Events & Competition", click on "Event & Job Reports"

- 3) In "Event & Job Reports" page, click on "Service Hours Forecast for My Account". Do not click on "Job Signup Report for My Account" as this will show all jobs that you've signed up, even the ones that you did not completed.

4) You should see a pop up window like this one below with your account name on it:

- 5) Click in the first box under Event Date. This should be 09/01/2022 as this is when this current swim season began.
- 6) Then click on the second box and put today's date on it.
- 7) Click Search button on top left corner.
