Missed Practices

There are no refunds for missed practices.

Illness / injury

If there is an illness or an injury, the Board may consider a refund of the training fee for absences of 14 days or more. A written note along with a medical certificate can be provided to the registrar for consideration.

Withdrawal from the club

If a swimmer intends to withdraw from the club, they can do so by giving the registrar at least one full month's written notice. A notice given the day before the first of each month ends their membership at the end of the following month. For example, if the swimmer wants to withdraw at the end of December, the swimmer must make sure the registrar receives written notice on or before November 30th.

Any unfulfilled volunteer service hours will be charged up until the last day the swimmer is with the club. A charge will be made for this on the first of the following month. For example, if the swimmer wants to withdraw at the end of December, any unfulfilled volunteer service hours charges will be made on January 1st.

Club and Swim BC memberships

Club membership and the Swim BC membership fees are non-refundable.
