

How do I enter a swim meet?

Check with your coach before entering any swim meet. Swim meets are entered electronically and can be done at the Crown City Aquatics website (www.crowncityaquatics.org). All parents will be notified of upcoming meets via email one week before the entry deadline. Swim meets have a deadline for submitting entries so please decide early. You can also find meets at the SCS website (www.socalswim.org) by scrolling over the Meets tab and clicking on either the Metro or Southern California buttons.

Once you decide to enter a meet:

1. Click on the Meets & Events tab.
2. Click on the Attend button below the title of the meet you wish to enter.
3. Select the name of the swimmer you wish to enter.
4. Under SIGN UP RECORD Select "YES, PLEASE SIGN UP FOR THIS EVENT"
5. Proceed to select the events your swimmer would like to enter.
6. Click SUBMIT.
