

What is an entry time?

An entry time is the best time your swimmer has for each event. These entry times are used to rank the swimmers according to speed so that each swimmer will compete with those of like abilities. If you have never swum an event, enter “NT” for “No Time” or ask your coach for the entry time you should use. Once you have participated in a USS meet your entry time will be displayed online in the meet event. You can find your swimmer's times at the USA Swimming website (www.usaswimming.org) by scrolling over the TIMES tab and clicking the TIMES SEARCH button. If you are still unsure of how to check the entry time and event please ask your coach.
