

Guelph Marlins Masters Annual Swim Insurance Policy

I understand that:

For Lessons, there is an annual \$39.00 which is Swim Ontario/Canada insurance that is required by our Provincial body to collect and register you. This covers you from September 1, 2023 through August 31, 2024 for any of our indoor pool programming. **This is a once-a-season charge only.** This does not matter at what point you start in the year.

Your credit card will be charged this fee after you have registered for the program within 1-2 weeks.
