

LOCKER ROOM MONITORING POLICY

PURPOSE

The following guidelines are designed to maintain personal privacy as well as to reduce the risk of misconduct in locker rooms and changing areas.

FACILITIES

The following is a description of our practice and competition facilities to allow athletes and their families to plan their use:

We practice at Petaluma Swim Center

This location has a changing area that is shared with the general public. As such, there may be people who are not associated with the Marin Pirates in the changing area around the time of practice.

MONITORING

Coaches and staff make every effort to recognize when an athlete goes to the locker room or changing area during practice and competition and, if they do not return in a timely fashion, we will check on the athlete's whereabouts.

We discourage parents from entering locker rooms and changing areas unless it is truly necessary. In those instances, it should only be a same-sex parent. If this is necessary, parents should let the coach or administrator know about this in advance.

The SMASH Swim Team has staggered practices, with different groups arriving and departing at various times. It is therefore not practical to constantly monitor locker rooms and changing areas over this extended course of time. While we do not post coaches inside or at the doors of the locker rooms and changing areas, we do make occasional sweeps of these areas. Coaches conduct these sweeps, with women checking on female locker rooms, and men checking on male locker rooms.

USE OF CELL PHONES AND OTHER MOBILE RECORDING DEVICES

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras increase the risk for different forms of misconduct in locker rooms and changing areas. The USA Swimming Athlete Protection Policies prohibit the use of such devices in the locker room or other changing area:

Article 305.3 Use of audio or visual recording devices, including a cell phone camera, is not allowed in changing areas, restrooms or locker rooms.
