

## **Strathcona County Swim Club (SRAYS)**

### **2025/2026 Fundraising and Volunteer Commitments**

#### **Swim Meet Volunteer Policy**

Club-hosted swim meets are our primary source of fundraising. To support their success, each family is required to provide at least one volunteer for every meet hosted by the club.

#### **Fundraising Commitment**

To keep our training fees as low as possible, all competitive swimmers with Strathcona County Swim Club must participate in fundraising throughout the year. The fundraising commitment required per swimmer is a flat rate for the 2025/2026 season.

The annual fundraising commitment amounts for the 2025/2026 training season are as follows:

For families with multiple swimmers, the fundraising commitment for additional swimmers registered in the competitive program with SRAYS will be 50% of that swimmer's fundraising commitment.

Families will be contacted by email by the Fundraising Coordinator in mid-September with details of the fundraising opportunities. These may include:

- bottle drives
- product sales
- raffle tickets
- FlipGive

Families that wish to opt out of their Fundraising Commitment can pay the amount in full by contacting the Treasurer at: [treasurer@silverrays.ca](mailto:treasurer@silverrays.ca)

For swimmers that withdraw from the club during the season, a minimum portion of the fundraising commitment must be earned/paid as follows:

Withdrawal date between:

October 1 – December 31: **35%**

January 1 – April 30: **75%**

After April 30: **100%**

Fundraising amount is \$100.00 per swimmer

### **Volunteer Commitment**

The Strathcona County Swim Club is a volunteer organization. The points system is in place to ensure that all SRAYS families share in the responsibility of ensuring that our club runs smoothly. All members of the Strathcona County Swim Club are required to earn volunteer points. The amount of the points is based on the level of training of your swimmer(s).

A record of your volunteer points will be maintained on the club website under “My Account / Invoices & Payment / Service Hours”.

Points assigned to each volunteer position will be disclosed at the time of job sign-up.

All volunteer points must be earned by July 15, 2026. Member accounts will be charged \$12 per outstanding point.

For families with multiple swimmers, the volunteer commitment will be limited to two swimmers registered in the competitive program. The commitment reduction will be applied on the swimmer(s) at the lowest commitment level(s). If a family earns over their required number of points, they may transfer their extra points to their fundraising obligation at a rate of \$12.00 per point.

For swimmers that withdraw from the club during the season, a minimum portion of the volunteer commitment must be earned/paid as follows:

Withdrawal date between:

October 1 – December 31 35%

January 1 – April 30 75%

After April 30 100%

Please note that every effort has been made by the Board to clearly outline volunteer requirements; however, the above is subject to change due to unforeseen circumstances. If this occurs, as much notice as possible will be provided to families.
