

Meet Fee Policy

NON-REFUNDABLE SWIM MEET COACHING FEES POLICY (revised July 24, 2020)

Bluephin swimmers are expected to compete at local swim meets. This number is determined by the Head Coach in collaboration with the coaching team. It is based on: the number of local swim meets (i.e., on PEI) offered in the season, and the long-term athlete development (LTAD) guidelines.

Each swimmer will be charged the associated coaching fee.

SWIM MEET POLICY (revised July 24, 2020)

Notification of swim meets will be sent to swimmers by the head coach. Swimmers are expected to "accept" or "decline" their intent to participate at the swim meet. Swimmers who "accept" participating in a swim meet are entered (i.e., registered) into the swim meet by their respective coach. Swim meet entry fees and coaching fees are charged to each swimmer's account accordingly.

Swimmers who "accept" participating in a swim meet must inform their coach either by email, text, or telephone call three (3) days before the start of the swim meet's first warm-up session if they are no longer able to attend. Failure to do so will result in a charge of the swim meet entry and coaching fees to the swimmer's account. Swimmers who "accept" participating in a swim meet and fall ill 24 hours or less before the start of the swim meet's first warm-up session must notify their coach either by email, text or telephone call as soon as possible. Every effort to refund their swim meet entry and coaching fees will be made.
