

HALTON HILLS
BLUE FINS
SWIM TEAM

SEEKING YOUR SUPPORT
THROUGH SPONSORSHIP

DYNAMIC & *SUCCESSFUL*

Our mission is to develop confident, strong and disciplined young women and men through their passion for swimming. Halton Hills Blue Fins are a not-for-profit, community-based swim team located in Georgetown, Ontario. Our team is dedicated to providing opportunities for all ages and capabilities to reach their maximum potential through swimming. We boast a strong coaching staff, excellent athletes and the support of outstanding families and volunteers.

Our swimmers compete in regional and local invitational meets, Provincial and National Championships across the country. We support our PARA swimmers and are very proud of their past and current successes on the podiums of every level. We are a small team that often punches well above our weight class.

As with all not-for-profit organizations, our club relies on sponsorship to thrive and provide the best possible opportunities for our members.

SPONSORSHIP MEANS...

Building community. Sponsorship helps organizations such as yourselves to reflect wider community interests and expand support for your brand locally.

Goodwill. It's difficult to quantify, but sponsorship can be more cost-effective than advertising and comes with the added benefit of the halo of your brand's good will.

Reflecting your brand's values. Your interest in our community, and specifically the Halton Hills Blue Fins, positively reflects your organization's values and allows your brand to align itself with an inclusive, dynamic team that is mobile and visible throughout the community and the GTA.

LEAD LEVEL

SPONSORSHIPS CHART

Ads in all Meet Programs			●
Logo on Blue Fins Pop-up Event Banners			●
Logo on Blue Fins Team Banner at home pool		●	●

YOUR **INVESTMENT**

As a not-for-profit community based team our registration fees are kept to a minimum to be as inclusive as possible for all. Through additional team initiated fundraising and special events we continue to raise funds to cover ongoing and predictable administrative and facility costs but growing the team becomes challenging. Your sponsorship support facilitates that growth.

CONTACT INFORMATION

Please contact our Sponsorship Director, Petra, for more detailed information regarding sponsorship opportunities with the Halton Hills Blue Fins.

We also invite you to find out more about our team and its activities through our website, Facebook and Instagram feeds.
