

Langley & Abbotsford Olympians Swim Club

Swim Challenge 2022-2023 Information

June 2022

Langley & Abbotsford Olympians Swim Club will be doing a Swim Challenge fundraising project in October 2022 and at the beginning of every month until June 2023. You only need to participate in the one swim challenge closest to your month of joining. This will be an opportunity for L&A OSC members to raise money to offset their swimming fundraising dues.

The fundraising dues are payable on the following Monday of the Swim Challenge date. The Swim Challenge fee will be collected from your online method of payment or you must provide cash payment. Should you choose to collect pledges you may keep that amount to offset your fundraising dues.

The L&A OSC monthly fees do not cover all of the equipment needs, coaching costs, pool time, and other operational costs associated with operating one of the top clubs in BC and Canada. Swimmers in the various groups can raise money to help continue to allow L&A OSC swimmers receive top level coaching and have appropriate pool time and space to make swimmers the best they can be.

We will provide you with a pledge sheet which your child can take to friends, families and neighbors and ask for pledges for their Swim Challenge.

Most swim clubs in BC and Canada do some type of Swim Challenge for a fundraising project. Many clubs also have direct access funding to offset the associated cost of the swim club. L&A OSC does not benefit from these monies thus we are doing this fundraising project.

Fundraising allocation for the 2022-2023 season is:

Mini Olympians & Olympic Way - \$150.00
Stroke Improvement & Conditioning - \$200.00
Regional Group-\$300.00
Age Group Performance -\$400.00
Provincial Group-\$400.00
National Group-\$500.00

We encourage swimmers in Regional, Stroke Improvement & Conditioning, Olympic Way & Mini Olympians to attend the Swim Challenge. **The Fundraising Fee will still be charged if you decide to attend the Swim Challenge or not.**

Swimmers can have 1 parent or someone 12 year and over to attend to help count laps. Please know that parents may have to show proof of vaccination to attend.

This is a challenge to swim as far as kids can go without stopping for any period of time to talk etc.

The date of the next Swim Challenge will be on: TBD

If you have any questions please feel free to call Langley Olympians @ 604-532-5257 and for Abbotsford Olympians @ 604-825-1856. Alternatively, you may email us at laosadmin@telus.net.

Good Luck & thank you!
