

AGE GROUP ATHLETE OF THE MONTH

ARIA NEDELJKOVIC

We are excited to announce that Aria has been selected as our Age Group Athlete of the Month for April! This honour is again only awarded to one of our Age Group athletes from among all of our programming in London, St. Mary's, and Stratford. Aria is receiving this award due to her recent breakthrough performances, her hard work, and ability to push herself outside of her comfort zone.

Aria has earned this recognition through her outstanding performances at the 2025 LAC Long Course Pentathlon where she achieved a remarkable feat by placing in the top 8 in all of her races... And even more impressively, Aria demonstrated incredible dedication and progress by taking off an unbelievable 3 minutes from her previous personal best times across her events. Therefore, much credit must be given to Aria as these sorts of results are a testament to her exceptional hard work in the pool, significant skill as well as technical development, and her determination to push herself outside of her comfort zone.

Remember Aria that nothing can stop a person with the right mental attitude from achieving their goals in life... And alternatively, nothing on earth can help a person with the wrong mental attitude. The good news is what attitude you hold is within only your control and therefore with the right mindset you can achieve all of your wildest dreams!

Congratulations once more, Aria, on being named our Age Group Athlete of the Month for April within our age group programs. Continue the excellent work, and we hope you enjoy a treat of your choice on us with this award!
