

AGE GROUP ATHLETE OF THE MONTH

JIVIN TANEJ ALARMATHI

We are excited to announce that Jivin has been selected as our Age Group Athlete of the Month for September and October! This honour is again only awarded to one of our Age Group athletes from among all of our programming in London, St. Mary's, and Stratford in recognition of their notable efforts in and around the water.

Although Jivin has only been with our program since the summer, the improvement our coaching staff has observed in him over the past few months has been exceptional. Jivin's performance in training, significant skill and technical development, and remarkable consistency (as he rarely misses a practice) are a testament to his persistence, hard work, and dedication to continuously bettering himself. These qualities are a large part of why he has earned the honor of being named the first age group athlete of the month for the 2025-2026 season and also why our coaching staff expects many more big things to come from Jivin in the future both in and out of the pool!

Jivin remember that the effort and work that you put into anything that you do (whether in the pool or out of it) is more than a task. It is a reflection of your dedication, growth, and future potential. Keep pushing forward, continue doing your best that you can, and know that the limits of where you will end up in life will only be determined by you Jivin!

Please join us in celebrating Jivin's dedication, achievements, and being named our Age Group Athlete of the Month for September and October within our age group programs. Keep up the excellent work Jivin, and we hope you enjoy a treat of your choice with your \$15.00 cash award on us to celebrate this achievement... And hopefully many more to come, Jivin!
