

**MIDDLESEX  
SWIMMING**

## **AGE GROUP ATHLETE OF THE MONTH LONDON**

### **THEA WEBB-NICHOLLS**

Thea has been selected as our Age Group Athlete Of The Month within our London programs for December due to her amazing work ethic and can-do attitude which she displays at each and every practice she attends.

Thea is a member of our Recreation Group in London and thus far into the season has been exceeding expectations as she continues to excel within our program. She is a very fun loving, talented and hard-working young woman who always puts her best effort forward. Her ability to learn as well as improve upon her swimming technique and skills at a rapid rate has been exceptional to see.

Thea's strong leadership skills have enhanced our swim program as well as encouraged other athletes. Her leadership as well as her competitive and fearless nature will continue to lead her to future successes throughout her journey in life both in and out of the pool.

Congratulations again Thea on receiving our Age Group Athlete of The Month award within our London programs for December. Keep up the great work and we hope you can enjoy something of your own choosing on us!!!
