

GOOOO-ZETTE

Your Source For All Things Titans

JUNE/JULY 2024

Hello, Titans!

For our last issue of Goooo-zette this year, we continue to see the success of our swimmers. What a year. Really amazing and truly inspiring.

The Collingwood Swim Meet was an awesome way to finish the season and a great opportunity for our swimmers to connect on and off the pool deck.

Everyone is aware that there are big changes coming next season. Matt, our Head Coach, has decided to move to the next phase of his career journey and we can't be more excited for him. I encourage everyone to reach out to him with thanks and congratulations whether he coached you or your swimmers directly or not. He had a major influence on our development as a swim team helping us navigate out of the pandemic and bringing us to the next level. For this, I am really grateful.

We have tonnes of opportunity in front of us and the Board is working really hard to set next season up for success. From adding support coaches for our Junior and Age Group swimmers and starting a Titans' Mentoring Program that will connect our younger and older swimmers, we aim to continue to develop a sustainable model for team growth.

I hope you enjoy this last issue of the season and I can't wait to get the 2024 season started. As always, we will have lots of opportunities to help out and I encourage you to put your hand up to help. Your contributions are the way that we will be successful together.

One last note - Please make sure that you fill out the survey that Matt sent out recently.

See you around the pool.

Matthew Fallowfield
North BayTitans Head Coach

Hello North Bay Titan Families,

As you are aware, I have given my formal notice to the NBYT executive board of directors.

I took some time to reflect on my experience working with the club, and all of the amazing moments I shared with our incredible swimmers and families who are a part of the North Bay Titans organization.

I would like to express to the membership the decision to step back as the Head Coach of the club was not one I made lightly.

I would like to say how proud I am of what NBYT has accomplished over the past 3 years. NBYT is filled with so much support, friendship, love and talent; it fosters an environment where swimmers can grow and thrive while experience incredible moments and creating life-long memories.

I wish the membership, executive board members and coaching staff all the best in the future.

To the NBYT swimmers - I am so proud of you. I am so excited to see what you will accomplish in years to come. I hope you continue to enjoy the sport of competitive swimming while making new friends, creating new memories, and reap the benefits from all of the great life lessons that competitive swimming teaches you.

I will always be cheering you on from a-far.

Yours in swimming,
Matthew Fallowfield

A huge thank you to all our Titans who came out to volunteer and participate in the Kiwanis North Bay Kids' Triathlon that took place on June 29.

It was amazing to watch our Titans in action. We loved seeing the huge smiles on their faces upon finishing their race.
