

## 2023-2024 Season Kickoff and Awards Night September 2023

---

### **FIRST TIME QUALIFIERS**

**Explanation:** Throughout their careers, our swimmers will experience many firsts – first final swim meet, first final swim, first tour team selection.... Just to name a few. These NKB swimmers have achieved some of those firsts during the 2021-2022 season by qualifying to their first Championships at the Regional, Provincial, and/or National levels. We know these are just the first of many accomplishments!
