

AWARD OF MERIT – 2023-2024

Explanation: The swimmers at NKB not only swim fast but are very dynamic individuals. The recipients of the Award of Merit are swimmers who have demonstrated in the pool that they train, race, and perform with great success. Moreover, they do it with a positive attitude. They can also be seen supporting teammates, volunteering, leading cheers, and regularly contributing to the positive, family-oriented climate at NKB.
