

FIRST TIME QUALIFIERS - 2023-2024

Explanation: Throughout their careers, our swimmers will experience many firsts – first final swim meet, first final swim, first tour team selection.... Just to name a few. These NKB swimmers have achieved some of those firsts during the 2023-2024 season by qualifying to their first Championships at the Regional, Provincial, and/or National levels. We know these are just the first of many accomplishments!
