

PROVINCIAL EXTREME AWARD – 2022-2024

Explanation: *Building well rounded athletes is at the core of NKB's programming. These athletes take this to heart, and push themselves to be successful in ALL strokes at ALL distances, whether it's their "favorite" stroke or not. They recognize every race is an opportunity to excel, and as a result of this true grit, they have achieved provincial level performances (or higher!) in EVERY STROKE at EVERY DISTANCE.*
