**Re :Selection to NAIG 2023**

To whom it may concern

I \_\_\_\_\_ ,DOB \_\_\_\_\_ hereby

wish to be selected to the NWT North American Indigenous Games team travelling to Kijpuktuk (Halifax) and Dartmouth, Nova Scotia, for competition from the 15-23 July 2023 .

I am aware of the selection criteria and have read the documents pertaining to this Meet which can be found on the NWT web site .I understand my obligations to the Team should I have the necessary qualifying criteria .I understand that I will have to attend 80%of all club trainings prior to the Games and thereafter all of team NWT trainings .I understand that I will not be allowed to take family holidays/trips/camps in July 2023 if I am selected to the Team as it may impede my training for the Meet. I understand that the selection camp is compulsory and failure to attend will jeopardize my position on the team .I realise that not all costs are covered by NWT Swimming and that I will be responsible for training fees and the Aboriginal sport Councils Fee.
