**Re :Selection Canada summer games 2025**

To whom it may concern

I \_\_\_\_\_, DOB \_\_\_\_\_ hereby

wish to be selected to the NWT Canada Summer Games swim team travelling to St John's Newfoundland for competition from the Aug8-25 2025.

I am aware of the selection criteria and have read the documents pertaining to this Meet which can be found on the NWT web site .I understand my obligations to the Team should I have the necessary qualifying criteria .I understand that I will have to attend 80%of all club trainings prior to the Games and thereafter all of team NWT trainings .I understand that I will not be allowed to take family holidays/trips/camps in June/July/August 2025 if I am selected to the Team as it may impede my training for the Meet. I understand that any training camp prior to the Games is compulsory and failure to attend will jeopardize my position on the team. I am aware that not all costs are covered by NWT Swimming and that I will be responsible for training fees and the Team NWT Summer Games Participation Fee. This fee covers accommodation/travel and food for the week of competition. Any uniform provided by Sport North must be worn when required at the Games. During competition the NWT swimming uniform will be worn. I am aware that suitable racing suits are for the swimmer's cost.
