Welcome to the 2011-2012 swim year

I have just hung up from the TAS rep and the suits are due to arrive the week of the 28th. I will be around to hand out as soon as I sort them. Any swimmers that were missed in the original order and have not yet been sized please take your child to the swim shop at Watermainia. They have the sizing kit for the suits there. All the suits are labeled with a size code. Once the size has been determined please note the code and email me the code, child's name and group to: rapidsgear@shaw.ca

Any emails to me please include child's name, group, and size if applicable.
