## GENERAL INFORMATION

### WHAT IS ARTISTIC SWIMMING?

Sometimes described as “water ballet,” artistic swimming, formerly called synchronized swimming, combines the athletic endurance of a speed athlete, the flexibility of a gymnast and the grace of a dancer. It is one of the world’s most beautiful, disciplined, and demanding sports. Artistic swimming develops self-confidence, interpretive and performance skills, teamwork, strength, endurance, and aerobic fitness. Artistic swimming began as a competitive sport in Montreal, Canada. In 1923, a group of athletes qualifying for their Royal Lifesaving Society Diploma had to execute figures to demonstrate their aquatic ability. After the examination, they decided to organize figure competitions among themselves as a fun challenge. The first Provincial Championship was held in Quebec on February 24, 1924. Rules for the Synchronized Swimming National Championships were accepted the next year in 1925 by the Canadian Amateur Swimming Association, the national governing body for swimming. Artistic swimming is now popular around the world and made its Olympic debut in the 1984 Summer Olympics in Los Angeles. Canada has been a leader in the sport, winning two gold medals at the 1988 Olympics, gold, and silver in 1992, and then silver in 1996 and bronze in 2000. Artistic swimming is also an event at the World Aquatic Championships, and the Pan American Games. Canada won the gold medal at the 2019 Pan Am Games in Lima, Peru and more recently, Canada has been working to get back to the top in world competitions. In 2017, World Aquatics (the world governing body for aquatic sports) voted to change the name of the sport from synchronized swimming to artistic swimming.

Artistic swimming has the potential to enhance our lives; it has a positive effect on our physical and mental well-being, and it brings us together. Artistic swimming develops champions for life. Long Term Athlete Development (LTAD) is the foundation of all Canadian Sport programs – from grassroots to national team. Through LTAD, athletes learn invaluable life skills as they progress through its seven stages. From a young age, children learn to respect and nurture individual differences, embrace challenges, and value benefits that result from being part of a team effort. LTAD supports life-long participation in artistic swimming (or other physical activities) and excellence at the High-Performance Level. Both participation and excellence are built on the common foundation of fundamental movement and sports skills developed during the early stages – Active Start, Fundamentals, and Learning to Train. Athletes may make the transition into life-long sport participation for fun and fitness at a later stage in Long Term Athlete Development.

### CANADA ARTISTIC SWIMMING

The national sport governing body is Canada Artistic Swimming. There are three artistic swimming divisions in Canada: Atlantic (clubs from Newfoundland, Prince Edward Island, New Brunswick and Nova Scotia), Eastern (clubs from Quebec and Ontario), and Western (clubs from Manitoba, Saskatchewan, Alberta, British Columbia, Yukon). All competitive athletes are registered with Canada Artistic Swimming at the beginning of each season. Canada Artistic Swimming’s website at <https://artisticswimming.ca/> includes the following resources of interest to athletes and parents: 1) CASSA Official Rules Book, 2) World Aquatics Rules (International Aquatic Sport’s governing body), and 3) Programming.

### SASKATCHEWAN ARTISTIC SWIMMING

Saskatchewan Artistic Swimming (SAS) is the provincial association for artistic swimming. SAS sponsors meets, training camps and training of coaches and officials. All Saskatchewan athletes must be registered yearly with SAS and CAS to compete.

## SASKATOON AQUALENES ARTISTIC SWIMMING CLUB

The Saskatoon Aqualenes Synchronized Swimming Club (SAQ) was founded in 1973 by coach Karen (Clark) Dumas as the Aqualenes Synchronized Swimming Club. The Club was then sponsored by the Saskatoon Optimist Club and was known as the Optimist Aqualenes until 1983. Sponsorship from the Bridge City Cosmopolitan Club was accepted and in 1983, our name changed to the Bridge City Cosmo Aqualenes. Finally, in 1996 we became the Saskatoon Aqualenes Synchronized Swimming Club (SAQ). SAQ colors are red, silver, and black. These colors are displayed in the club uniforms worn by athletes and coaches at club events.

Saskatchewan has produced many outstanding artistic swimming athletes. In 2006, the Aqualenes' Senior Team captured a national title and in 2008 captured silver in the Combo Event at Open Nationals. In 2007, Aqualenes' athlete Jessica Guenther won a bronze medal at the Canada Winter Games as a member of Team Saskatchewan. Jessica was a member of the National Team for five years and studied at Stanford University with artistic swimming scholarship. Another former Aqualenes' athlete, Lesley Wright, performed in the famous Vegas Cirque de Soleil water show "O". Dedicated athletes, parents, coaches, and sponsors have all contributed to our proud tradition of excellence. In recent years, SAQ athletes have been remarkably successful at both the Provincial and National levels. In 2017, several national stream athletes were selected to take part in the national team trials, with Alana Hargreaves qualifying for the Junior National Team Pool and our second Aqualenes athlete to sign a contract to perform in Vegas Cirque de Soleil Water show "O". In 2018, athletes again qualified for national team trials, and Bailey Hargreaves was selected to be part of the Youth age group National team. At the 2018 Saskatchewan Winter Games, Team Saskatoon won gold in figures, duet, and team events, and bronze in solo. At the 2019 Canada Games, Sydney Carroll placed fourth in solos and Sydney Carroll and Ainsley Bristol placed fourth in their duet. In 2020 Sydney Carroll was named to the Canadian Senior National Team and currently trains at the National Training Center in Montreal. Sydney competed for Team Canada at 2022 Worlds in Budapest!

SAQ is committed to providing a positive sport experience for each athlete in a safe, structured, and co-operative environment. We foster the development of responsibility, commitment, and good sportsmanship in all our athletes. Our coaches emphasize the social, emotional, physical, and educational development of each athlete. SAQ offers both recreational and competitive artistic swimming programs.

Our Club is affiliated with Saskatchewan Artistic Swimming, Canada Artistic Swimming, and the international sport organization [World Aquatics](#) (formerly known as the Fédération Internationale de Natation (FINA)). These national ruling bodies set standards to support excellence in the sport of artistic swimming. The club is also a member of the Saskatoon Zone #6 Sports Council to ensure greater communication between sports groups in Saskatoon and Saskatchewan.

## COACHING STAFF

The Aqualenes provides top level, fully certified National Coaching Certification Program ([NCCP](#)) artistic swimming coaches to provide athletes with the safest, most rewarding artistic swimming experience.

Laurie Wachs is the head coach of the SAQ and has 40+ years coaching experience. She has coached many athletes to medal performances at both provincial and national levels and placed numerous Saskatchewan athletes onto National Teams. In November of 2000, the Coaching Association of Canada selected Laurie as the recipient of the 3M Coaching Canada Award in the Development Sport – Female category. In November 2004, she was inducted into the Saskatoon Sports Hall of Fame as a "Sport Builder". In 2009 Laurie was awarded Sask Sport's Female Coach Dedication Award, and in 2010, Laurie received Canada Artistic Swimming's Distinguished Member Award, recognizing a member of Canada Artistic Swimming who has made an exceptional contribution to the "art as well as the sport" of artistic swimming.

## TESTIMONIALS

---

### ALANA HARGREAVES

I was an athlete of the Saskatoon Aqualenes for the first thirteen years of my swimming career. Laurie Wachs, Head Coach has been my coach since starting in aqua giggles at age five, all the way up to Junior National Stream. Training with the club, I was able to land a spot on the Canadian Junior National Athlete pool in 2017. After which, I moved to Toronto to continue swimming, where my team and I won a national championship and had the opportunity to compete in Paris at the French Open. In 2019, I was hired by Cirque du Soleil as a synchronized swimmer to perform in the “O” show in Las Vegas. SAQ has not only taught me the technical skills to be successful as a swimmer, but countless life skills that are far more valuable than a first-place finish. I hope that my experience may inspire younger athletes of the club, or those who want to try synchro, that your goals are achievable with hard work and dedication. The Saskatoon Aqualenes will always be home to me as an athlete.

---

### SYDNEY CARROLL

The Saskatoon Aqualenes has not only helped me succeed as an artistic swimming athlete, but in life as well. Working alongside such dedicated coaches and athletes has shaped me to be who I am today. The SAQ community is one big family who unconditionally loves and supports one another. Being given the unique opportunity to be part of such a close-knit group of people is something that I will forever cherish.

---

### JORDYN FRIEDT

I’ve had the pleasure to be a part of the SAQ family for 10 years. I’ve learned so many life skills and gained some amazing experiences over the last decade. This club has taught me the meaning of hard work and dedication while also being able to have fun and learn what it means to be a team player.

## REGISTRATION & TRAINING SCHEDULE

---

### RETURNING MEMBERS:

Online registration will open July 26, 2023 and close August 15, 2023

---

### NEW MEMBERS

Online registration will open on August 2, 2023 and close August 31, 2023

---

### PAYMENT

Payment for registration and any other payments going forward will be by credit card only, unless the swimmer's family does not have a credit card. All late registrations are subject to a \$50 late registration fee up to September 30, after which registration for the 2023-24 season will not be accepted.

---

### PROGRAM REGISTRATION

Canada Artistic Swimming (and SAQ) follows the World Aquatics definitions in determining which age category the swimmer falls under. The swimmer's age is calculated as of December 31, 2024, so when registering, use the date that your child will be on December 31, 2024 to determine which program to register them in.

The Wardrobe Coordinator will be on hand at the first practices for those requiring wardrobe items including goggles, caps, and nose clips. Fitting for SAQ suits for competitive athletes will be held in the first two weeks of **September**. Exact dates and times will be communicated to those registered.

Athletes can be registered in Aqua Giggles and Recreation programs by their parents. Athletes are selected to Competitive Teams by the Head Coach only. If an athlete wants to enter the Competitive program directly, please contact Laurie Wachs, the Head Coach, at 306-281-5071 or [lwachs@sasktel.net](mailto:lwachs@sasktel.net) to discuss your athlete's suitability for the program.

---

## PARENT MEETINGS

---

### PARENT ORIENTATION MEETINGS

These meetings will give an overview of the year to come and answer questions that parents may have concerning Board and coaching decisions made during the year. As you have a child swimming with the club, **attendance is not optional** - one parent per family **must attend** the Parent Orientation Meeting.

Saturday September 16, 2023 for Competitive Families, Time TBD

Saturday October 21, 2023 for Recreational Families, Time TBD

For competitive swimmer's families, team meetings will be held at the beginning of the season and as organized by Team Parent(s) and Coach.

## SCHEDULE NOTES

SAQ reserves the right to cancel any classes offered with insufficient enrollment numbers.

---

### IMPORTANT UPDATE

Harry Bailey Aquatic Centre will be closed starting April, 2023, for facility renovations. All practices this season will be at the Shaw Centre, YMCA or PAC Pools.

### COMPETITIVE PROGRAMING

Shaw is the designated competition pool for all Competitive Aquatic sports, so our club will be cancelled out every time there is an event for another user group (most likely once per month).

Our club has secured time at the University PAC pool for some of those weekends and the tentative schedule will be:

- Saturday Practices – Land 5-6pm and Pool 6-9pm – PAC Pool at University
- Sunday Practices Pool 9:30 to 11:30am Land 11:30 to 12:30 – Pac Pool at University

Whenever the U of S PAC pool cannot accommodate us on a cancelled weekends at Shaw, a normal practice schedule will happen on land vs the water where practice plans will include flex, strength, aerobic workouts, figure trainer, land drill etc. Location TBA.

### RECREATIONAL PROGRAMMING

Recreational Programming will be held at the YMCA with the exception of Aquagiggles which is held in the leisure pool at Shaw Centre.

## RECREATION PROGRAMS BY BIRTH YEAR

### AQUAGIGGLES PROGRAM (BORN IN 2017, 2018)

The Aqua Giggles program is for the five to seven-year-old. At the FUNdamentals stage, children learn the basics of artistic swimming and have fun in the process. They learn that water is an ideal place for creative play – a world where they can float, fly, flip, twist, and dream. We will provide a safe and stimulating environment where your child is introduced to all fundamental movement skills and begin to build overall motor skills. Once per week, children will spend ½ hour on land working on stamina, speed, and suppleness (flexibility), followed by one hour of skill-based programming in the water. ***This program is intended for children who are comfortable in shallow water without a life jacket and not afraid to put their face in the water or go upside down. Swimmers will be assessed the first 2 weeks in the program, and if not a good fit, will be refunded fees, with suggestion to swim lessons before trying again.***

---

#### GENERAL OBJECTIVES

- Aim to have fun at every aspect of learning and swimming
- Introduce creative play in the water (with and without music)
- Focus on the development of basic movement skills and motor skills (the ABCs of Agility, Balance, Coordination, and Speed) prior to introducing artistic swimming specific skills
- Provide the opportunity for your child to participate in skill-based fun water shows

---

#### PRACTICE SCHEDULE

Program runs October 13, 2023 – December 15, 2023, and January 5, 2024 - April 26, 2024.

Fridays: 6:30 to 8:00PM at Shaw Leisure Pool

6:30-7PM Dryland in Classroom and 7:00 to 8:00PM in Pool

---

#### COMPETITIONS

**Note:** Coaches will select Aquagiggles athletes with appropriate skill level to attend the Recreational Fun Meet.

- Aqualenes Fun Meet – Saturday March 23, 2024, Time TBA (Selected Aquagiggles will attend only)
- SAQ Water show April 27, 2024 at Shaw, Time TBA

---

#### FEES

Affiliation Fee	\$60	Due at time of registration (in addition to regular fees)
Regular Fees	\$945	Annually: \$945 Due at time of registration, or Bi-Annually: \$472.50 at time of registration and again on Jan 1

## RECREATION PROGRAM (8 TO 12 YEARS, BORN 2012 TO 2016)

For athletes new to the sport of artistic swimming, we offer the opportunity to learn with Canada Artistic Swimming's Aqua Go Program, which consists of skill starting with the basics and progressing through to complex figures. SAQ groups athletes according to their age and swimming ability into "Recreational" teams. They will learn a relaxed progression of artistic swimming skills without the high intensity of competition. As the year progresses, athletes will also learn to perform a team routine. Since artistic swimming programs involve mainly deep-water swimming athletes must be comfortable swimming in the deep end of the pool. If the program does not meet the participant's swimming ability, the Head Coach will contact the parents to make a suitable plan. Athletes have one lesson per week, lasting 1 ½ hours. They attend one fun-based competition and the SAQ Water Show. The recreational programming starts October and runs until the end of April.

---

### PRACTICE SCHEDULE

Program starts October 14, 2023 – December 16, 2023, and January 6, 2024 - April 20, 2024.

**Note:** Classes are split by age of swimmer:

Saturday's 3:30PM – 5PM at YMCA, for swimmers born in 2014, 2015, 2016

Saturday's 5:00PM- 6:30PM at YMCA, for swimmers born in 2012 and 2013

---

### FEES

Affiliation Fee	\$60	Due at time of registration (in addition to Regular fees)
Regular Fees:	\$1,015	Annually: \$1,015 due at registration, or
		Bi-Annually: \$507.50 due at registration and January 1, 2023

## RECREATIONAL YOUTH (13 AND OLDER, BORN 2011 OR EARLIER)

This program is intended for retired competitive swimmers, Rec swimmers with experience, or new to artistic swimming with a strong swimming background. We want our athletes to lead all-around active and healthy lives. The Active for Life Stage (long term athlete development) focuses on enabling athletes to make a smooth transition from their competitive careers to life-long physical activity and participation in sport. Whether athletes choose to continue artistic swimming as Rec, master's swimmers, or as a coach or judge, the skills they learn in artistic swimming will help them succeed in whatever they choose. This once-a-week training program focuses on maintenance of basic stamina, strength, speed, flexibility, and artistic swimming skills.

---

### PRACTICE SCHEDULE

Program starts October 14, 2023 – December 17, 2023, and January 6, 2024 - April 26, 2024.

Saturdays 5:00 – 6:30PM at YMCA

---

### FEES

Affiliation Fee	\$60	Due at time of registration (in addition to Regular fees)
Regular Fees:	\$1,015	Annually: \$1,015 due at registration, or
		Bi-Annually: \$507.50 due at registration and Jan 1

## COMPETITIVE PROGRAM INFORMATION

### ALL COMPETITIVE MEMBERS – MUST READ

The competitive program is for competent artistic swimmers who want a challenging competitive environment. Athletes will train to perform at local to national levels of competition. The competitive swimming program starts the first week of September and continues until the end of June. Athletes are grouped by age and separated into two streams with varying commitment to team training. Athletes are selected to competitive teams by the Head Coach only. Duet and solo routines may be approved by the Head Coach, in addition to team routine, and at an additional cost to the athlete. All provincial stream athletes may opt into Saskatchewan Artistic Swimming's High-Performance trials if invited by Saskatchewan Artistic Swimming (trials are typically scheduled for end of May). **All returning national stream athletes are expected to attend Saskatchewan Artistic Swimming's High-Performance trials**; the cost is included in their training fees. Saskatchewan Artistic Swimming communicates High Performance trials criteria on their website at [www.saskartisticswimming.ca](http://www.saskartisticswimming.ca) and the Aqualenes High Performance Program Club Rep – TBD.

---

### CLUB RECORD CHECK POLICIES

Volunteers and coaches of the club are required to have a criminal record check completed at the start of the swim season. Application forms for those living within the city must be picked up at the parent meeting or AGM. For those living in rural areas, a separate form for the RCMP must be used. Policies are available on club website, [www.saskatoonaqualenes.com](http://www.saskatoonaqualenes.com)

---

### JUNE TRAINING

June training will be mandatory for returning National Stream athletes and Provincial Stream athletes participating on Provincial Teams. Focus will be on provincial team training expectations.

**Note:** Athletes that are not returning next season, may opt out after attending Canadian Artistic Swimming Championships or Canadian Prairie Championships but must inform of desire to do so at time of registration.

---

### VOLUNTEER COMMITMENTS

All SAQ parents will be required to volunteer throughout the season to ensure our competitions run smoothly. SAQ does not have staff, and the success of the club is determined by the volunteer involvement. Everyone is busy with other commitments outside of SAQ, and that's why it's so important for everyone to be involved. This ensures the volunteer commitments don't always fall on to the same people. As parents, we are here for our athlete's love of the sport and to ensure they have a great season.

Signup sheets will be provided for each competition. If shifts remain, names will be placed to ensure all shifts are filled. If you are unable to work the shift your name has been assigned to, it is your responsibility to find someone who can. If you are unable to fulfill your volunteer hours at a competition, you will be required to be involved in other social events or fundraisers.

If you're unable to volunteer for the specified number of positions indicated in this manual, your account will be charged. Please direct any questions to the SAQ Volunteer Coordinator.

- \$300 payment will be charged March 31 if the following is not completed:
  - 2 shifts per swimmer at provincial meets hosted by SAQ
- \$400 payment/interprovincial meet will be charged if the following is not completed:
  - 4 shifts per swimmer at each interprovincial meet hosted by SAQ (i.e. Canadian Prairie Championships)

**Note:** For those volunteers on the board or executive, your volunteer commitment is covered, as these positions require a higher time commitment throughout the year.

---

### TEAM MEMBER COMMITMENT

Coach appreciation gifts and event raffle baskets are put together from each team 2-3 times/season. The team parent(s) arranges and each member will contribute based on what the team decides (e.g. usually \$10 each).

---

## RAFFLE COMMITMENT

\$300 payment will be charged to swimmer's accounts March 31 – this will cover the raffle tickets that will be handed out in early fall with the raffle draw taking place in spring.

**Note:** Selling raffle tickets is not mandatory, but is intended as a way to help offset the cost of registration. Should you prefer to not sell raffle tickets, please inform the volunteer treasurer at [SAQTreasurer@gmail.com](mailto:SAQTreasurer@gmail.com) before September 30 so that tickets will not be issued to your family. For families choosing this option, your account will be charged \$300 on April 1, not March 31."

---

## MEET REGISTRATION, WARDROBE FEES & EQUIPMENT

For a first-year competitive swimmer the mandatory wardrobe will include a SAQ jacket, SAQ club suit, black figure suit, SAQ and white swim caps. See travel policy; approximately \$100 – \$500 per meet (invoiced & charged before each meet).

All competitive athletes will require a swim cap, goggles, nose clips, swimsuit, towel, yoga mat, 2 yoga blocks, pull buoy, hand paddles, and water bottle at all practices. Many of these items can be purchased from the SAQ Wardrobe coordinator or Al Anderson's Sports. Additional items may include red tubing and green ankle tubing band (can purchase from Craven Sports), and a skipping rope however check with your coach before purchasing.

---

## COMPETITIVE PARENT EXPECTATIONS

### PROVINCIAL COMPETITIONS

For all competitions that are not hosted in Saskatoon, parents are required to share the costs of the coaches travel and accommodations for the event. The team parent will incur the initial costs and split via [Splitwise](#) (an app that can be downloaded on google play or at the App store) with the other parents at the end of the event.

Coaches receive a per diem cost for daily meals from the club. If parents purchase meals for the coaches during these events, they are to be charged back to the coach.

*Estimated Cost per competition \$200-700*

### NATIONAL COMPETITIONS

For both Qualifiers and Nationals, parents are required to share the costs of the coaches' travel (mileage/flight) and accommodations for the duration of the event. The team parent will incur the initial costs and split via [Splitwise](#) (an app that can be downloaded on google play or at the App store) with the other parents at the end of the event.

Coaches receive a per diem cost for daily meals from the club. If parents purchase meals for the coaches during these events, they are to be charged back to the coach.

*Estimated Cost per competition \$1500 – \$3000*

### CHAPERONE DUTIES

Parents are expected to volunteer at one or more competitions as a team chaperone to help with driving, meal prep, pool snacks and team activity coordination.

## ALTERNATES

In Artistic swimming, free team routines are comprised of eight swimmers. If more than eight swimmers register in an age category, the team routine will have designated team alternates. Alternates are a part of our sport at all levels and some clubs have alternates in every age group. Coaches, in consultation with the head coach, consider the following factors when making decisions on alternate positions: technical ability and skill level, team/club success as we strive to achieve our goals and excel in the few competitions per season, coachability, attitude, leadership, team player, pattern awareness, presence in the water, sharp tight, extension, stunt abilities, picking up skills, practice attendance and level of commitment, and what's best for all athletes and ultimately the success they deserve.

Training at daily practice is our majority metric and decisions are based on this. Aqualenes coaching staff are always open and

available to discuss with any athlete or parent wishing to know what needs to be done to improve skill or role in the team. Alternates will be named two to three weeks before every routine competition. We understand it is hard for athletes to be thrown into situations, such as a competitive environment, they may not understand, but coaches will do their very best to navigate the season in the most positive manner as possible. The coaches will ensure that all swimmers receive a chance to swim in pattern at a competition or water show during the season. They will trade swimmers in and out of patterns at practices to ensure every swimmer receives team skills training and development.

Positive aspects to having team alternates include: skill development as the team trains together, providing healthy competition which encourages athletes to rise and put in their best effort at every practice, and teams can train un-interrupted both in practice and competition! A pro of our sport is that alternates still get to compete in the figure event at every competition. The coaching staff does not single out any athlete nor find any joy in parents attending competitions and not seeing their athletes compete. This is the nature of our sport.

If you feel the potential possibility of being a team alternate is going to be detrimental to your child's mental health or well-being, we suggest this sport is not the correct fit. An individual sport such as gymnastics, aerial silks, or track may provide the sport experience you are seeking.

## PROVINCIAL STREAM

Provincial Stream includes teams in age groups 10 years and under, 12 years and under, 15 and under, 18 and under, and limited competitive. This program not only improves general fitness, strength, and swimming skills, but also provides athletes with knowledge about nutrition and develops goal setting and teamwork skills throughout the season. Teams practice between 4 and 10 hours per week depending on age and number of routines competed.

---

### SOLOS/DUETS FOR PROVINCIAL STREAM

Extra routines must be approved by the head coach prior to registering and dependent on coach availability. Selection is based on athletes who require an extra challenge or to those who may benefit from extra routine skill development. All swimmers asking for an extra routine must be part of a team in the current season and have had close to 100% attendance at team practices in the previous season. Practices can be scheduled for any Aqualenes pool time your swimmer does not practice with their team. Competitions to attend are the same as team for age level.

**Solo/Duet Fees:** TBD at beginning of season, based on hours and number of athletes/coaches. Rate will be charged monthly in October-April. Training and practice for Solos/Duets will be finished after CPC.

### HOLIDAY SCHEDULE

To accommodate family holidays, SAQ sets athlete holiday schedules

- Thanksgiving weekend: Saturday October 7, 2023 thru Monday October 9, 2023 inclusive.
- Remembrance Day: Saturday November 11, 2023
- Christmas break: Thurs, December 21, 2023, thru Wednesday January 3, 2024, inclusive.
- February break: Friday February 16 thru Friday February 23, 2024, inclusive.
- Easter break: Friday March 29 thru Friday April 5, 2024, inclusive.
- May long weekend: Saturday May 18 thru Monday May 20, 2024 inclusive.

**Note:** Please try not to take family holidays during other times, as artistic swimming is a team sport and presence of all team members is needed to practice routines prior to competitions. Please note, if an athlete is planning on being away on holidays, they are responsible for informing their coach of their absence as well as the costs for practices missed – no refunds will be issued. For safety reasons, if your athlete is away the week before any competition, they may not be able to compete in the team routine but will still be allowed compete figures.

---

## ADDITIONAL PRACTICE FEES OUTSIDE OF SET SCHEDULE

The holiday schedule is set for both Provincial Stream and National Stream athletes and additional practices are not included in the Regular Fees for each team. If it is decided extra practices are necessary, the cost of those practices (both pool time and coaching costs) will be charged to the athletes.

Athletes on Team Sask, Team Sask Development, or Canada Games Team will have additional training sessions with additional costs incurred during the swim season to cover coaching that is not included in the above listed team fees. Additional training may include dates after June 20, 2024.

## 10U PROVINCIAL STREAM (BORN 2014, 2015)

Learning to Train: Building skills for Artistic Swimming and for Life

Athletes at the Learning to Train stage discover what artistic swimming is all about and how fun it can be. Coaches establish a culture of challenge and fun as they address the windows of trainability for suppleness, stamina, and skill. While the athlete becomes acquainted with artistic swimming-specific skills and techniques, they continue to develop fundamental movement and motor skills, build a strong fitness base, and fall in love with the sport. Talent identification occurs at the end of this stage and is based on several factors, including suppleness, skill, and genetic predisposition to the sport. Athletes are selected to Competitive Teams by the Head Coach only. All second year Provincial Stream athletes may opt into Saskatchewan Artistic Swimming High Performance trials if they qualify (typically scheduled end of May, at an additional cost - To be decided). **These athletes train 3 X per week pool training, 3X per week dry land training.**

## 12U PROVINCIAL STREAM (BORN IN 2012, 2013)

Train to Train: Loving Challenges, building Pride

At the Training to Train stage, athletes learn that hard work can be rewarding and fun. They enjoy the sense of pride and satisfaction that comes when meeting a challenge head on. During this stage, trained coaches address the window of accelerated adaption to aerobic, speed, and strength training to maximize the athlete's development. During competitions, athletes compete to achieve their best, but the major focus of training is on building an aerobic base and consolidating artistic swimming- specific skills as opposed to competing. Athletes are selected to Competitive Teams by the Head Coach only. All Provincial Stream athletes may opt into Saskatchewan Artistic Swimming High Performance trials if they qualify (typically scheduled end of May, at an additional cost - To be decided). **These athletes train 3 X per week pool training and 3 X per week dry land training/land drill.**

**Mentorship service** is an expectation of these athletes: each athlete provides two mentorship practices – one will be scheduled before Christmas and one after Christmas.

## SENIOR / MASTERS (BORN 2005 OR EARLIER)

In artistic swimming, what we learn in the pool we take with us for life.

Our athletes lead all-around active and healthy lives. The Active for Life Stage focuses on enabling athletes to make a smooth transition from the competitive careers to lifelong physical activity and participation in sport. Whether athletes choose to continue in artistic swimming as volunteers, coaches, officials, university level competitors, Masters or Senior level athletes, change to a different sport, transition to a career at Cirque du Soleil or another professional field, or participate in new recreational activities, the skills they learn in artistic swimming will help them succeed in whatever path they choose. A schedule that fits their life situation will be determined upon registration as these athletes hold down jobs or are enrolled in post-secondary schooling/courses. Athletes are selected to competitive teams by the Head Coach only.

*Senior Program* athletes may train 3-4 times per week pool training (8-12 hours). *Master's Program* athletes may train 2 to 3 times per week (4-6 hours). Athletes will consult with our Head Coach to design a schedule, and then fees will be determined prior to full registration based on the program.
