Your Neighbourhood Dental Care with a Personal Touch

At Grenkow Dental, we're proud to be family-owned and operated, offering care that's personal, friendly, and truly local. Our patients are not just names on a file; they are our extended family in the dental practice. Found in the West end of Winnipeg, our clinic proudly serves the communities of Headingley, Charleswood, Crestview, Sturgeon, and areas along Portage Avenue.

Searching for a dentist near me? We are just on the edge. It could be an everyday dental visit or a complete dental appointment; we are here to serve you straightforwardly. We strive to ensure your visit to us is easy, convenient, timely, and specifying, and it is because we value your time and health. As a kids' dental office, we help children build healthy habits early. At toddlers to teens ages, our staff is well-versed in how to keep young smiles healthy and tension-free. Our patients know us as their family dentist, and the children feel very comfortable.

We are privately owned and operated, meaning we put patients first, not policies. We offer assignable insurance, and yes, CDCP is accepted, making it easier for everyone to get the care they need.

Our mission is to empower individuals to achieve their full potential in physical, mental, and emotional well-being.
