

EDHS Aquatics Annual Business Sponsorship

Dear Hawks Sponsors,

What an exciting time to be a part of El Dorado Aquatics!

- Our boy's water polo team continues to build on its success and is striving for another CIF appearance.
- Our girls' water polo team is looking to make another run to repeat as CIF Champions.
- The Boys and Girls Swim team are preparing for another amazing season and getting ready to make it to CIF finals.

2025-2026 is a pivotal year for El Dorado Aquatics and your generosity has played a major role in the expansion of our program. We cannot thank you enough! Your continued investment in the program will position our team to reach all the goals set before them. Would you be willing to partner with us again this year?

How does my donation help the program?

- Coaching Support – Ensure our coaches have the resources and stipends needed to continue building championship-level teams.
- Facility Upgrades – Replace aging lane lines, add new starting blocks, and maintain the scoreboard to enhance competition readiness.
- Team Equipment – Purchase training gear such as resistance equipment, balls, and timing systems.
- Athlete Experience – Fund team-building events, senior recognition, and athlete awards.

How can I help again this year?
