

Parents: How to Add and Verify Cell Number in OnDeck for SMS/Texting

Adding and verifying your cell number is critical for your admins to send you alerts via SMS (text) messages. Without verification they cannot SMS (text) your number.

1. Login to OnDeck.
2. Tap > **Membership** > **My Account**.
3. Tap **UPDATE PROFILE** at the bottom of the screen.
4. Fill in *SMS 1* or *SMS 2* with the cell number and select your cell *Carrier*.

Email 3:

SMS 1: Unverified Carrier:

SMS 2: Unverified Carrier:

5. Tap **SAVE** and it will send a verification text to that number.
6. Once you open the message it will usually verify your number, but tap the link just to make sure.
