Providing an environment where young swimmers can actively pursue their dreams

Dear CAST Supporter,

On September 18th, 2025, the **College Area Swim Team (CAST)** will be holding its annual **SWIM-O-RAMA**.

The main portion of our team uses the Kroc center. We rent pool time there at a cost of up to \$5,000 a month. The purpose of our swim team is to **offer the opportunity for youth to participate in and actively pursue their dreams through competitive swimming.**

Our team members are introduced to the many benefits of this wonderful sport - physical, social, and mental benefits that will help them for a lifetime. Please join us in supporting these fine young athletes. **Your support will really make a difference!**

We are a non-profit, 501c.3 organization and **all donations are 100% tax deductible!** We have about 100 swimmers on our team who will all be participating in our annual SWIM-O-RAMA. Over the past year, we had lower swimmer numbers (COVID caused) and also were not able to host any swim meets. These two things put us in a position where we really need to raise funds in order to continue to provide the program without any changes or cutbacks.

You can sponsor your swimmer by the number of lengths they swim or through a one donation (checks made payable to CAST). Either way, it will help the team!

Should you desire to donate a single amount, you may so directly online through the team website: If you're not passing your donation to a swimmer with cash or check, you can use VENMO - see page 2. Or Just click on the link [here](#).

Please join us in supporting the **College Area Swim Team, SWIM-O-RAMA**. Thank you for your participation!

Should you have any questions, please contact Coach Dave Kilmer, castcoachdave@gmail.com.

The deadline to donate for your sponsored swimmer to be eligible for prizes is Oct.10th.

Sincerely,

SWIM-O-RAMA Committee and **all the swimmers of CAST!**
