

It Was Worth It!

They never said it was easy, they said it was worth it! (May West)

Parents and 5 of our swimmers got up early Saturday morning, May 14, and drove to Victorville for a one-day beginner – intermediate meet. All this to pick up some times and meet experience. Some of the teams in our Eastern Committee are a ways away which requires a certain amount of commitment just to make the trek. It's never easy, but we hope it was worth it.

Job well done to our swimmers.
