

Work Hard – Dream Big

I've always believed that if you put in the work the results will come. - (Michael Jordon)

It takes a lot of hard work to make the qualifying times for the Speedo Grand Challenge. This meet is one of the senior elite level 1 meets and is held towards the end of the season.

Victory was represented by 3 of our senior level swimmers: **Sergio Diaz Salazar, Levi Medina, and Zeke Serrano.**

Sergio Diaz Salazar competed in the 200 IM and the 400 IM. Both swims were new team records.

Levi Medina competed in the 100 Breast.

Zeke Serrano competed in the 50 Free and the 100 Free. Both swims were new team records.

Don't count laps... Make every lap count!

Congratulations and well done to our first senior elite level swimmers who worked hard to make every lap count and make those dreams come true. Our coaches also work hard, creating training programs to make sure those laps count. Well done **Coach Trevor.**
