

## Mindset: Personal Bests

*A mindset that focuses on achieving personal bests involves a combination of believing in your ability to improve, setting challenging yet achievable goals, and embracing a growth-oriented approach. It's about consistently striving to surpass your previous accomplishments, learning from setbacks, and maintaining a positive, resilient attitude.*

Victory Aquatics is a high-performance motivated, competitive swim team. Swim meets are how swimmers can test their training, challenge their ability, and achieve their goals. This recap acknowledges the performance accomplishments of our dedicated athletes for the 2024-2025 Swim Season.

The swim season begins on Sept 1 and ends on August 31. Age group swimmers competition ends on July 31 with the SCS championships. Senior and National swimmers competition ends on August 31.

Our high-performance driven team focuses on our swimmers believing in their ability to improve, achieving personal bests, and attaining personal goals. It is not based on winning. This 2024-2025 Season Recap acknowledges our swimmers personal bests in: Meet Attendance, Team Records, Event Performance (# of Events vs Time Standards), Season Time Drops, IMR and IMX Completions, and Season Points.

This season saw a significant improvement in performance over prior seasons ... acknowledging a commitment to training and maintaining a positive, resilient attitude. We are very proud of our swimmers.

Congratulations to our swimmers and thank you to our parents and grandparents whose dedication, commitment, and encouragement support their swimmers and our team.

## **PERFORMANCE EVENT TIMES**

SCS uses the USA Motivational Time Standards for qualifying times. The time standards are 'B', 'BB', 'A', 'AA', 'AAA', and 'AAAA'. 'B' times are the slowest and 'AAAA' times are faster than a speeding bullet. Swimmers who haven't qualified a 'B' time are considered 'C' times.

At the beginning of the 2024-2025 season we had only a handful of 'BB' or above swimmers. This season our swimmers surprised and delighted everyone, picking up many 'BB' times and even some 'A' times. Congratulations swimmers ... your performance this season has been remarkable.

These performance statistics indicate how many events our swimmers qualified for in each time standard.
